Dear Parent

## HOOKED!

Hooked is an inter-disciplinary project based on drugs and their effects. Five departments within the school have been working in conjunction with our School Liaison Officer to highlight the dangers of drug misuse on young people's lives.

The project focuses on the drugs most widely used by young people and the consequences that are associated with misuse. The project will be run for 6 weeks and culminate in a performance of the musical to a selected audience.

All S1 pupils have had the opportunity, during class time, to participate in the project: learning the script, gathering information about drugs, devising dances to the music, singing the songs of the musical, creating the visual media aspects and promoting the event. On the lead up to the performance day all pupils will be working in their chosen discipline - singer, dancer, actor, visual designer or researcher – to allow the performance to be a success. Pupils have also attended rehearsals at lunchtimes or after school, which will allow the pupils to be fully prepared to perform the musical to their audiences.

The pupils will perform the Musical to the P7 pupils of the associated primary schools and invited guests on Tuesday 6 November 2018. An opportunity for parents to view the musical, and get a true feel for the amount of work and effort the pupils have put in, will take place on Tuesday 6 November at 6.30 pm in the GP Hall at the school. Pupils will be expected to stay after school on the Tuesday to prepare for the evening performance. Food will be provided during this time for all pupils. Displays by associated groups will be on show for parents to browse prior to the show and a programme will be on sale on the evening.

Due to the popularity of the evening performance in previous years, we have to limit the audience due to health and safety guidelines. Each pupil will be allocated two seats for the evening performance and if you wish additional seats a waiting list will be created and will be addressed nearer the time. Please return the attached tear-off slip to the school office by Friday 2 November 2018 also, indicating if you will be transporting your child home after the performance.

The show is expected to be around 1 hour and finish at 7.30 pm. Pupils being picked up should be collected no later than 7.40 pm. If you request any extra seats you will be notified via a text message the day before if we are able accommodate your request.

Yours sincerely

Mr C McGuire  
Principal Teacher of Guidance
