Dear Parent

Choosing subjects for the following academic year is a key stage in your child's educational journey. It is vital that each young person is given the opportunity to find out and reflect on information which will support them in making informed choices to support their future.

This year we are holding a Careers Event on Friday 29 November 2019 in the GP Hall at Milne's High School. The event will have:

Stalls with representatives from the 8 Employment Sectors

- Learning and Childcare
- Health and Life Sciences
- Engineering and Manufacturing
- Construction
- Food, Drink and Tourism
- Creative and Digital
- Business and Defence
- Land based

Also attending will be:

- Skills Development Scotland representative
- A representative from Moray College

This is an ideal opportunity for your child to find out about different career opportunities in the employment sectors listed above which are of interest to them, prior to their subject choice.

Your child will attend the Career Event at the following times:

**Period 2 - 9.35 am - 10.25 am – S5/6 pupils**

**Period 3 - 10.40 am – 11.30 am – S4 pupils**

**Period 4 - 11.30 am – 12.20 pm – S3 pupils**

**Period 5 - 12.20 pm – 1.10 pm – S2 pupils**

You are invited in to attend the Careers Event with your child to allow you to listen to and have a part in the discussions taking place. If you cannot attend at the same time as your child, please feel free to attend at another time.

Prior to the day, each young person will have been given the opportunity to reflect on their learning journey to date and identify subjects/sector areas they would like to talk to. If you have any questions, please contact your child's Guidance teacher.

Yours sincerely

C. Mackenzie
