Dear Parent

I hope you and your family are well.

I would like to thank you all for your support in implementing and sustaining the measures to prevent the spread of COVID-19. The support from parents this term has been greatly appreciated, including:

- Ensuring our young people comply with the measures such as wearing a face mask (unless exempt)
- Keeping children who are presenting as ill at home and updating us on a regular basis
- Almost all parents not using the car park as a drop of zone (there are a few parents who have permission from senior staff to use in certain circumstances such as disability)
- Raising concerns with us in the first instance – remember to contact the school office and they will direct your enquiry as appropriate
- Donating items such as uniforms or materials for the face-coving and other eco projects

As well as raising concerns and offering support directly to the school, parents are strongly encouraged to consider engaging with the work of the Parent Council. There is a 45 minute meeting on Monday 28 September starting at 7 pm on Zoom. The chair, Mr Nick Chambers, can be contacted on: [mhsparentcouncil@gmail.com](mailto:mhsparentcouncil@gmail.com) or through the school office should you wish to attend. We believe that everyone has something to offer so please know that new members are always welcome.

Once again, thank you for your ongoing encouragement and support. This has certainly helped to achieve the current position of everyone doing their best to provide a quality educational experience balanced with keeping our school community safe during these times.

Best regards

Mrs T Cameron  
Head Teacher
