

31 August 2020

Dear Parent

I hope all is well with your family and that a good weekend was enjoyed by all.

There are some communications for parents from Moray Council which are attached with this letter as well as a few updates and reminders.

#### **Face coverings**

Thank you to all parents who have contacted the school, donated materials or otherwise supported the school's response to this latest directive. Please continue to contact the school office should you have any concerns.

#### **Photographs**

We are unable to organise the usual individual, family and class photographs that take place at this time of year. We will review this in the new year and keep you posted with updated arrangements.

#### **Lunches**

A small group of our young people are not collecting pre-ordered lunches. We will notify parents where this is an issue as payment is still taken and we are concerned about the impact on our pupils.

You may be glad to note that this is a shorter briefing letter than those of previous weeks as there are attachments. I wish you a good week ahead and please do not hesitate to contact any of us through the school office should you have questions or concerns.

Best regards

Trish Cameron
